

Dear Ram families:

Happy New Year, everyone! I hope you had a wonderfully refreshing break. I want to begin with a huge thank you to our PTSA and all of you who contributed to our holiday staff luncheon. On behalf of the entire staff, we were overwhelmed with your generosity and could not have asked for a better way to begin Winter Break.

It's a quiet week on campus as we get back into the swing of things but I wanted to mention a survey that is currently taking place and we would really appreciate your participation...

Providing our students with the most up to date educational resources is a priority for Poway Unified School District. Stakeholder voices are critical to inform this work. This year everyone will have an opportunity to share their thinking through the international SpeakUp Survey. The SpeakUp Survey is a comprehensive study of the current and future uses of educational technology in our schools. The link for this year's survey can be found here: <https://speakup.tomorrow.org/>. The survey will be open through January 19, 2018. We very much appreciate your feedback.

That's it for now. I look forward to seeing you all tomorrow and remember, it's a 1/3/5 day.

Sincerely,

Dr. Burke
