

Dear RAM families,

I hope it has been a happy Super Bowl Sunday for you and your family. It will be a quiet week on campus in terms of student activities. Builder's Club meets on Tuesday in the MPR during 1<sup>st</sup> lunch and on Wednesday our Science Olympiad meeting takes place in the MPR during both lunches.

Applications for the spring semester of California Junior Scholarship Federation are due on Friday. CJSF is a community service club open to 7th and 8th graders. If you missed the informational meeting, applications can be found on the TPMS website or stop by Ms. Parker's classroom, room 713, to pick up an application.

Did you know that daily tweets showcase student learning? Our pictures paint the story of TPMS! We love showcasing our students engaged in learning and spreading our RAM Way culture. Please follow us @TwinPeaksRams to see our students in action.

Parents - We want your input on district needs and focus areas for student success at Twin Peaks. Your input helps set district budget priorities for the upcoming school year, and our school's voice matters. Our PTSA is hosting a forum in the TPMS Library on February 27<sup>th</sup> at 9:00 a.m. Additional information will be sent out this week. Even if you can't make the event, we do want to hear from you. Please take the online survey in either English or Spanish.

Spanish: <https://www.surveymonkey.com/r/VXQFLMD>

That's it for now. I look forward to seeing you all tomorrow and remember, it's a 1/3/5 day.

Sincerely,

Dr. Burke
