

Dear RAM families,

We hope you had a great week off and are ready for the last few months of the school year. I want to begin by congratulating our Science Olympiad team who recently competed in the San Diego Regional Science Olympiad. They did a fantastic job competing against 122 teams throughout the county. Our Wright Stuff teams received medals, winning 5<sup>th</sup>, 6<sup>th</sup>, and 10<sup>th</sup> place. The recognition event will take place next Wednesday, March 7<sup>th</sup> at 7:15pm in the Little Theater.

Students, I want to remind you that our SWITCH program begins this Friday during RAM in the MPR. And, Sunday the Orchestra Festival Concert takes place from 6-8pm at the Poway Center for Performing Arts.

Parents, I want to once again extend an invitation to our PTSA LCAP forum taking place this Tuesday at 9:00 a.m. in the library. We want your input in establishing site and district priorities. [Click here](#) to RSVP. If you can't make the event, please take the online survey in either English or Spanish.

I will close with a heads up about the upcoming Espola Road Safety Improvement Project scheduled to begin March 1<sup>st</sup>. The project will significantly impact traffic surrounding the school for the next 17 months. The area of Espola Road affected is from Durhullen Drive to Willow Ranch Rd which is just south of Poway High school. The road will be down to one lane each way and at times one lane period. Please plan accordingly and I will be sure to keep you updated as we receive more information regarding the project.

That's it for now. I look forward to seeing you all tomorrow and remember, it's a 5/1/3 day.

Sincerely,

Dr. Burke
