

Dear RAM families,

The Scholastic Book Fair begins tomorrow and runs all week. Proceeds from our book fair go directly back into the library and provide students with new books. Visit <http://onlinebookfairs.scholastic.com/entrance.aspx?FID=3781757&direct=Y> to shop the book fair online. Books will be delivered to the school for free! There will also be special Family Night hours on Wednesday, March 7th from 5-7 p.m. Come on over to check out special deals and enter to win a book bundle!

Hey Rams...here's a message from Lauren Binda, Sophia Sims and Ashley Palluconi...Did you know that all around the world thousands of people suffer from a shortage of clothing? We are hosting a collection of any size pillowcases, fabric, thread, ribbon, and elastic to turn into clothes from March 5 to March 16th. Our goal is to make and send 50 dresses to underprivileged children in Africa. You can drop off your donations in the designated box in the office. Thanks for your help!

Builder's Club meets on Tuesday during lunch in the MPR and CJSF meets after school from 3:15-4pm in Room 713. The PUSD Safety Community Forum take place Tuesday night at the Mt. Carmel High School Performing Arts Center from 5-7pm. Please visit the following link to submit your questions in advance or to RSVP for the event: <http://bit.ly/PUSDSafety>. If you can't attend or would prefer a more intimate setting, please join us right here at Twin Peaks for our own Safety Forum on Thursday night in the Little Theater at 6pm.

You are also invited to attend an informational meeting on the Twin Peaks AVID program this Tuesday from 6:00 to 7:30 pm in room 205. Your child will soon need to choose an elective class for next year, and the AVID elective is one possibility. AVID is a college readiness class that prepares students with strategies and support to achieve academic excellence.

5th Grade Parent Night takes place on Wednesday at 6:00pm in the MPR. We will also recognize the accomplishments of our Science Olympiad Team for their recent performance in the San Diego Regional Science Olympiad later that evening in the Little Theater at 7:15pm. Progress Notices will be distributed to students this Thursday during RAM classes. Finally, this Friday, our SWITCH program meets during RAM in the MPR.

That's it for now. I look forward to seeing you all tomorrow and remember, it's a 4/6/2 day.

Sincerely,

Dr. Burke
