

## RAM Permission to Participate For school year: \_\_\_\_\_

### **RAM Teachers' Permission:**

To ensure that students are utilizing their Ram classes appropriately for their studies, we are asking your permission that attendance to Builders Club be granted only to students in good standing. If at any time, you decide your student should stay in Ram class, we will fully support your decision.

Members are instructed to check in with their Ram teacher for attendance before going to Builders Club. If they do not, their Ram teacher will mark them absent. Builders Club takes attendance at every meeting and turns in that day's attendance to Mrs. Wiese, who then checks the list with Ram class attendance. If there is a discrepancy (a "skipped" class), Mrs. Wiese will contact parents.

### **Parent Permission:**

Parents understand that students will miss Tuesday 2<sup>nd</sup> lunch/Ram periods in order to attend Builders Club meetings. Club attendance is only permitted by Ram Teacher approval.
