

WELCOME TO TWIN PEAKS BUILDERS CLUB!

Builders Club is a student leadership service organization for middle school students sponsored by the Kiwanis Club of Poway. Members in this leadership service club are students who are interested in service to school and community while building friendships, character and confidence. Builders Club is the middle school sibling of Poway HS Key Club, our high school mentors.

The objectives of the Builders Club are:

- *To provide opportunities to participate in service projects for school and community.*
- *To develop citizenship and leadership potential.*
- *To foster development of individual character and integrity.*
- *To encourage loyalty to school, community, and nation.*

Once completed forms are returned, your student will be added to our email list. We use Shutterfly to send out club updates and announcements, so please add us to your contacts. Other emails may be team-based and sent by your Student Team Leader or Adult Advisor. Instructions on how to sign up for events via Shutterfly will be sent at a later date.

PARENTS WELCOMED AND NEEDED:
Builders Club is run by parent volunteers! Parents are welcome to attend any meetings at school, off-campus events, and especially for occasional meeting prep. This is only volunteer position at school which allows you to work directly with students and get to know them! Highly rewarding! Please let us know that we may contact you.
