There is still time to sign up to participate in The Hour Of Code on Thursday after school from 3:15-4:15. Computers are everywhere, changing every industry on the planet. But fewer than half of all schools teach computer science. Good news is, we're on our way to change this! If you've heard about the Hour of Code before, you might know it made history. More than 100 million students have tried an Hour of Code. Try something new, meet some experts in the field, and challenge yourself! Sign-ups are in the library.
