

Dear Ram families,

The Ram Read-a-Thon takes place this Thursday, May 4th. This is the Foundation's single largest fundraiser of the year and truthfully, we rely on the success of this event, especially as we face potential budgetary shortfalls. There is still time to register your student at www.thegetmovincrew.com. As of Friday, we had raised \$4,000, but we still have a ways to go before collecting enough to purchase a Chromebook cart. If you haven't already registered, there is still time. Don't miss out on an opportunity to win some cool prizes and help our school at the same time.

We are hosting our annual Volunteer Appreciation Breakfast on Thursday, May 4th at 8:00am in the library. If you have donated your time or talent to Twin Peaks this year, we would love to have you join us. It is important that we pause to honor all of those who have helped to make the 2016-17 school year a huge success. Please RSVP to Christie Hamilton chamilton@powayusd.com. Thank you for helping us to recognize those who make a difference for our children!

Our Cinco de Mayo Celebration for Staff Appreciation Week is being held this Friday from 12-1:30pm. We are still in need of snacks and side dishes for the luncheon to feed about 100 people. The taco bar is being catered by El Ranchito. Please go to <http://www.slyreply.com/app/sheets/f8hpgmonfg82/> to sign up. Items need to be delivered to the front office by 11:30am on Friday, May 5th. Thank you so much for your help in showing our staff your appreciation for all that they do!

I will close with a message from the SOLE Effects team. They would like to thank the Twin Peaks staff, PTSA, School Site Council, and SWITCH families for their unwavering support of their mission to create strong leadership skills in every student. Not only were 195 lives influenced by SWITCH coaches in the program this season, ALL lives at Twin Peaks were changed through the leadership ripple effect our SWITCH students created. It has been a privilege to see students influence each other positively through this exceptional school culture movement. The SOLE Effects team looks forward to returning next spring for another stellar SWITCH season where they aim to create an even greater impact in our community. Meanwhile you can keep apprised of what the team is doing by visiting www.soleeffects.com.

That's it for now. I look forward to seeing you all tomorrow; and remember, it's a 2/4/6 day.

Sincerely,

Dr. Burke
