

Dear RAM families,

Can you believe we just completed our first month of school? It's great to see the students settling into their classes and activities like choir and cross country. Students, if you're still looking for a place to get connected, please stop by the club fair this Tuesday during lunch. It's a great way to learn more about the awesome clubs we have on campus: Builder's Club, Chain Reaction, Science Olympiad, ASB, AVID, to name a few. Speaking of clubs, the first meeting for Coding Club takes place tomorrow from 3:10-4pm in the Little Theatre. In order to participate, each student will need to read and sign the PUSD policy on Student Internet Safety and Responsible Use.

Tuesday is picture make-up day. This takes place during RAM time or during PE.

Beginning this Friday and every Friday through October 21<sup>st</sup>, the Twin Peaks Foundation will be accepting items after school from 3 to 3:30 for the annual garage sale. Just pull into the entrance of the parking lot and we will help you unload your donations. Tax deductible donation receipts will be available and 100% of the proceeds will come back to TPMS. Speaking of the Foundation, their 1<sup>st</sup> meeting of the year will be this Tuesday, September 13<sup>th</sup>, at 6:30pm in the Principal's Conference Room. Please feel welcome to attend. This is a great way for new families to get connected.

I will close with a couple housekeeping items...

Students, I know the quad area is a great place to enjoy lunch and socialize with friends. However, please remember to throw trash away in the cans and recycling bins. We are noticing lots of litter left behind in the planters and on the ground after break and lunch. Eating food in the quad during lunch is a privilege; please be responsible so we can continue to offer it to you as an option. Let's take pride in our school campus!

Parents, I would like to remind you about our protocol for items dropped in the front office. It is the student's responsibility to pick up these items. In an effort to protect the integrity of instruction in the classroom, we do not send reminder notes to the classroom. We do call over the public address system at break for things that have been dropped off before that time.

That's it for now. I look forward to seeing you all tomorrow and remember, it's a 6/2/4 day.

Sincerely,

Dr. Burke
