

Dear Ram families:

We hope you had a great Thanksgiving Break and were able to spend some quality time with family and friends. This week is a quiet one on campus as we prepare for many events in the weeks before winter break.

The TPMS Canned Food Drive was a huge success. We shattered last year's effort by collecting over 4,800 cans! Congratulations to Ms. Keller's RAM class for bringing in the most cans per student and winning an ice cream party and thank you to everyone for your support.

I want to remind you once again that the Twin Peaks PTSA is supporting the Adopt-a-Family program this holiday season. The program is designed to assist families within the Poway area. There are many ways to contribute. Please click on the link <https://www.volunteersignup.org/XCBEQ> for the sign-up sheet and suggested gift items. If you are able to help, please sign up and drop off all purchased gifts and/or gift cards UNWRAPPED and LABELED, with the family ID number, in the front office. Please provide a gift receipt if possible. Gifts will be accepted through this Friday. If you would like to sponsor an entire family this holiday season, please email Dorinda Soucek at pusdadoptafamily@gmail.com and she will assist you. If you have any other questions, please email Glenda Greene at ptsaprestpms@gmail.com. Thank you in advance for your generosity and support!

Student's, I will close with a reminder that every day counts when it comes to success in school. We can't teach an empty desk. Of course, if you are legitimately sick, please stay home and rest up. We don't want others getting sick either. Please bring a doctor's note to the attendance office when you return to school.

That's it for now. I look forward to seeing you all tomorrow and remember, it's a 5/1/3 day.

Sincerely,

Dr. Burke
